Re: Erasmus+ students' nominations for academic year 2015/16

Dear Partner,

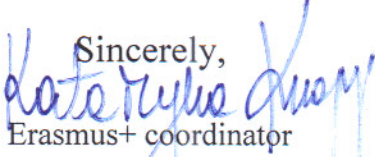

I am writing to inform you about some changes which will occur at Faculty of Christian Philosophy from next academic year.

In 2015/16 we will organize courses in psychology taught in English only at summer semester when we are planning 15 courses in English in a field of psychology, philosophy and environmental sciences. In psychology total offered program will have 33 ECTS, philosophy – 40 ECTS and environmental sciences – 36 ECTS. I am sending in enclosure the list of courses in English offered by our Faculty next academic year.

Because of the fact that whole our program in English will be available in summer semester, in winter semester we are able accept only nominations of Polish speaking students. All of yours English speaking students will be very welcome at our Faculty at summer semester.

I would appreciate if you would pass this information to all persons at your University to whom it applies.

If you require any further information, please feel free to contact me.

Sincerely,

Erasmus+ coordinator
WFCh, CSWU in Warsaw

Enclosure

Courses in English
offered by Faculty of Christian Philosophy CSWU in Warsaw
in academic year 2015/2016
